Byklum har utmerket seg særlig for sin kunnskap, erfaring og interesse for regionen Bordeaux og det har ikke gått upåaktet hen. -I 2011 ble han som en av de yngste noensinne selv på verdensbasis intronisert som kommandør av Bordeaux, to dager etter sin 32-årsdag. Etter dette har han mottatt ytterligere fire æresordene og er i dag eneste skandinaver som noen sinne har fått disse ordene, samt en av svært få selv på verdensbasis. Endel har én, få har to. -2014 Ridder av Pomerol -2015 Gentleman av hertugdømmet Fronsac -2015 Ridder av Saint-Emilion -2017 Kommandør av Médoc, Graves, Sauternes og Barsac Christer er interessert i alt som er av god vin, men spesielt kjent for sin lidenskap for Bordeaux. Interessant nok drikker han ikke øl, sprit eller kaffe, men er veldig glad i te. Som en av Norges mest erfarne smakere har han alt smakt rundt 65.000 viner. Følg Christer på følgende steder utover denne bloggen for Nettavisen: -Magasinet Vin & Brennevin, du finner det på Narvesen. -På nettsidene til Norske vinklubbers forbund ([www.nvkf.no](http://www.nvkf.no)). -[https://www.facebook.com/groups/822458511109512/?ref=br\\_tf](https://www.facebook.com/groups/822458511109512/?ref=br_tf) Og om du ønsker nyhetene på Vinmonopolet for alle andre? Her er poengene og hva de betyr: 96-100 Great wine of spellbinding beauty and resonance, leaving the drinker with a sense of wonder 90-95 Outstanding wine of great beauty and articulacy 86-89 Very good wine with some outstanding feature: 83-85 Good wine with no outstanding features 80-82 Enjoyable but simple and straightforward 75-80 Sound but dull or boring wine with no character or appeal
